The School of Science and Engineering (SSE) at The Chinese University of Hong Kong, Shenzhen (CUHK-Shenzhen) sincerely invites applications for multiple faculty positions at the Professor/Associate Professor/Assistant Professor/Senior Lecturer/Lecturer levels.

Post Specification

The ideal candidates are expected to perform research and teaching in the following areas: Mathematics, Physics, Chemistry, Materials Science, Optics, Computer Engineering, Integrated Circuits, Information Engineering, Robotics, Network Science, Artificial Intelligence, Financial Engineering, etc. However, strong candidates in other related areas will also be considered.

Junior candidates should have

- A Ph.D. degree (by the time of reporting for duty) in related fields; and
- High potential in teaching and research. Junior appointments will usually be made on a contract basis for up to three years initially, leading to longer-term appointment or tenure later subject to review.

Candidates for the senior post (Associate and Full Professor) are expected to have

- demonstrated academic leadership and a strong commitment to excellence in teaching, research, and services.
- Exceptional appointments with tenure will be considered for candidates of proven excellence. Candidates are encouraged to check out the details about the University at <http://www.cuhk.edu.cn/en>.

Salary and Fringe Benefits Salary will be comparable to international standards, commensurate with experience and accomplishments. Appointments will be made under the establishment of CUHK-Shenzhen. Employee benefits will be provided according to the relevant labour laws of Mainland

China and CUHK-Shenzhen regulations. Subsidies from various government-sponsored talent programs will also be made available for eligible candidates: <http://www.cuhk.edu.cn/UploadFiles/talentsprogramoutline.pdf>

Application Procedure

The application package should include a cover letter, full CV, personal statements in teaching and research, and contact information for three references. Candidates should specify in the cover letter the rank to which they are applying (Professor/Associate Professor/Assistant Professor/Senior Lecturer/Lecturer). Review of applications will begin immediately and will continue periodically until all positions are filled.
